

Financial Solutions: Vanguard Webinars on Volatility in the Financial Markets starting March 26th

In response to the recent market volatility, Vanguard will be hosting **Volatile Markets: Principles of Investing Success**, a special webinar to help guide you through these uncertain times. Market volatility can be stressful for anyone—even when saving for a long-term goal like retirement. But understanding Vanguard’s investment philosophy can help you ride out the ups and downs of the market and reach your financial goals. This webinar will teach you how to:

- Set clear investment goals.
- Create a broadly diversified mix of investments.
- Keep costs low.
- Invest for the long term.

Dates: March 26th and 31st and April 2nd
Times: 12:00 p.m. and 4:00 p.m., Eastern Time

Reserve your spot today.

To register, visit https://webinars.on24.com/Vanguard_IIG/vm

Vanguard will also be offering the following webinars at the dates and times listed above:

- Financial Freedom
- Timeline to Retirement
- Retirement Income

You can use the link above to sign up for one of these webinars as well.

Go to **Financial Solutions**.

National Grid can help too. Go to <https://ngbenefitslivebrighter.com> and click on the Financial Solutions tile to see everything the Company offers to help you improve your finances.
