

Quality Care – Anytime, Anywhere

Connect with a doctor from your phone, tablet, or computer 365 days a year, 24/7.

A Doctor's Touch at the Touch of a Button

Through live video, meet with a board-certified doctor anytime you need. The doctor can discuss your medical and/or mental health history, review symptoms, recommend treatment, and prescribe medication if needed. So there are no surprises, at the beginning of each visit you'll be told how much you have to pay out of pocket*. A Doctor On Demand® visit cost is comparable to what you pay when you see your doctor for a sick visit.

What's more, your primary care physician (PCP) can receive relevant notes from Doctor On Demand regarding your appointment to better coordinate your care. Check with your PCP at your next visit.
