RE: 2022 Solidarity Ride

Dear Business Manager Skerpon,

The Solidarity Ride has been an incredible success over the past 7 years. With your help, we have been able to raise and donate over \$160,000 to the most vulnerable people in our community. This year is no different. We have selected three great charities: RI Disaster Medical Assistance Team, the Johnnycake Center, and Children's Wishes. When no one else seems to care, it is the men and women of organized labor that rise to the challenge.

A difficult legislative session, lingering COVID 19, and a host of other challenges has our small group of volunteers spread far thinner than we would like. Due to this, we are far behind on soliciting donations and participation for the event on May 15, 2022. We have moved the event back to the third Sunday in May where we originally committed to be after moving it last year to the fall as we ran away from the rising Covid threat.

The reality is one you already know, without you there is no success with this event. We all need to reach into our pockets and offer some help if we ever want to make a change in others' lives. As we watch world events on the news or see the negative impacts of greed on our own day-to-day life, I know it may seem difficult. Just imagine how difficult it is for those we are trying to raise funding for.

In conclusion, please see the attached flyer and order form, and if you have the ability, support this important event. You have it within your power to make a difference in someone else's life.

Sincerely,

Joseph L. Walsh, Jr. / Business Manager IBEW Local Union 99

2022 Solidarity Ride

Proudly presented by IBEW Local Unions 99 and 2323

This years charities:

IBEW LOCAL 99 AND 2323
