Re: \$30.00 donation on April 19, 2021 in memory of Marilyn Soehnlein

Dear Friends of Hospice and Palliative Care:

Thank you for your recent donation to Chautauqua Hospice & Palliative Care. All donations to CHPC are used to provide end-of-life care and education. Unless otherwise indicated, no substantial donor benefits were associated with this gift. Gifts to Chautauqua Hospice and Palliative Care are tax deductible to the extent permitted by current IRS guidelines.

Charitable financial support is vital to Chautauqua Hospice & Palliative Care. It allows us to provide many "extras" for our hospice patients, like music therapy and pet care. It helps sustain our innovative community-based palliative care program or provide bereavement care to any community member who is burdened with grief. And it allows us to provide hospice care without regard to a patient's ability to pay because it is the right thing to do.

Thank you again for your thoughtfulness and support of our mission.

Sincerely,

Shauna Anderson
President & CEO

LAKE GEORGE ASSOCIATION

Thank you for your thoughtful gift in Scott's memory. Danni

4/27/2021

Dear Theodore,

Our very sincere **thank you** for your **\$30.00** donation in memory of **Scott Sambrook (from the International Brotherhood of Electrical Workers Local Union 97)**. An acknowledgement has been sent to his wife and parents.

We understand that Lake George was such a joy to Scott and I believe that he would be pleased to know that your gift contributed to the preservation of the Lake for future generations to enjoy as he did!

It is very encouraging that you chose to give so generously to the LGA with this memorial donation. With your support we can continue our work on crucial water quality protection projects around the Lake and throughout the watershed, and can continue our various educational programs such as our Floating Classroom.

As we celebrate more than 130 years of protecting our beautiful Lake, the environmental challenges facing Lake George are becoming more complicated and require more resources than at any time in our history. Your support assures the continuation of the LGA's work to improve and protect Lake George now and for the future.

I assure you that your donation will be put to work around the Lake and it **WILL** make a difference, just as Scott would have wanted!

Sincerely,

C. Walter Lender
