Brothers and Sisters,

As reported in my correspondence of November 24, 2021, National Grid has been working with the GSA for clarification on the Federal vaccine mandate.

As of today, we are expecting an announcement to be communicated regarding these discussions. Once Local 97 has been officially notified, we will send out an update as soon as possible.

Thank you for your patience and understanding during these trying times.

In Solidarity,

Ted Skerpon
President/Business Manager
