Dear Mike:

In early April you notified me that starting May 2, 2022 the Company would be going back to “pre-COVID” for home garaging.

As you are aware, there is no agreement covering home garaging. Absent any agreement, I am requesting the Company cease and desist any home garaging until such time we can reach an agreement. In order to prepare for these discussions, I am also requesting the Company’s “pre-COVID” home garaging policy.

Your attention to this matter is appreciated.

Sincerely,

Theodore J. Skerpon
