

C-43687 Equipment Operator C

Description:

Pay group: 19

Location: Watertown

Supervisor: Scott Greeg

Unposting Date: 05/23/2023

About the Position:

We are currently seeking an experienced Equipment Operator with the ability to travel extensively to job sites within the National Grid territory. We offer excellent benefits including medical, dental, life insurance, 401(k), vacation, tuition assistance and more.

Job Responsibilities:

- Operate a tractor trailer with high/low bed trailers and load/unload heavy equipment or materials.
- Operate heavy equipment on or around energized conductors; i.e. backhoe excavator, bull dozer, truck crane, conventional crane, assorted tracked vehicles, and Transmission conductor installation machinery.
- Installation/removal of utility poles, excavating roadways, digging utility pole holes, installing and running conductor, delivering material and equipment.
- Respond to emergency calls during off hours which may require overnight stays and perform duties in adverse conditions.
- Operate a crane utilizing a man basket near energized conductors.
- Ability to operate equipment in various environmental conditions in a transmission right of way.
- Perform manual labor or other duties as directed by supervision and operate in a team environment.

Job Qualifications:

- Need to possess an unrestricted Class A Driver's License with an air brake endorsement and a Medical Examiners Certificate required.
- Need to possess a NYS Crane Operators License with the ability to obtain licenses in other states as deemed necessary required.
- Must have a minimum of 3.5 years of experience driving and operating heavy equipment similar to equipment used by National Grid Transmission Line Services (i.e. mobile cranes, track-laying tractors and associated equipment).
- Ability to obtain Hazardous Material and a Class M endorsement.
- Ability to obtain a Certified Escort License for oversized loads.
- Ability to drive all types of vehicles and equipment in adverse conditions, in a safe manner.
- Ability and willingness to work different schedules, on holidays and weekends and overtime as required.
- Must have a High School Diploma or equivalent required.
- Must successfully pass pre-employment validated company test(s) and participate in an outside demonstration of job skills.

Only bids received on or before the above close date will be given consideration. Email bids to RecruitingNY@nationalgrid.com or fax bids to (315)401-7890.

Bidders seeking to be considered for posted positions have the responsibility to fully set forth their qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.
