

E-50234 Gas Mechanic Welder A

Description:

Pay rate:

Location: Glenmont

Supervisor: Greg Jennings

Unposting Date: 12/27/2023

About the Position:

Under direct supervision to operate air compressors, all pneumatic or hydraulic tools and automotive equipment including all accessory equipment such as winches and dump bodies; to assist gas mechanics of higher grade in the more complicated types of gas maintenance, repair and construction work; to perform field clerical work as required; and as proficiency increases to perform work of progressively increasing variety and complexity. Under general supervision to make inspections of gas facilities.

Job Qualifications:

- The applicant shall currently hold a National Grid certification in Shielded Metal Arc Welding (SMAW).
- Must have completed satisfactory training as Gas Mechanic Helper; Must have one year's educational background in electrical, mechanical or gas theory or twelve (12) months' experience in related mechanical work.

NOTE: Employees who demonstrate their aptitude for the work and establish a satisfactory record during one year of employment in this position will be promoted to a Gas Mechanic B. A satisfactory record must include the successful completion of Gas Mechanic B school.

NOTE: For positions posted to Gas Instrumentation and Regulation (I&R), Gas Mechanic A (Distribution) and Gas Mechanic Helper (Distribution) is equivalent to I&R Gas Mechanic A and I&R Gas Mechanic Helper. Upon completion of the required time at Gas Mechanic Helper and Gas Mechanic A, plus two years at I&R Gas Mechanic B (Pay Group 16), employees will be promoted to I&R Gas Mechanic C (Pay Group 20) in accordance with Memorandum of Agreement - Job Specifications in the Gas Instrumentation and Regulation (I&R) Department.

Please be advised that due to the nature of this position, incumbents are subject to federal Drug & Alcohol safety regulations governing US Department of Transportation ("DOT") covered positions, including the Federal Motor Carrier Safety Administration (FMCSA) and Pipeline Hazardous Material Safety Administration (PHMSA). As such, the Company's testing programs and policies regarding the use of federally prohibited drugs or alcohol, for recreational or medical purposes, will remain in effect for these safety-sensitive, DOT covered positions.

Only bids received on or before the above close date will be given consideration. Email bids to RecruitingNY@nationalgrid.com or fax bids to (315)401-7890.

Bidders seeking to be considered for posted positions have the responsibility to fully set forth their qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.
