

# E-51268 Field Tester E Gas

**Description:**

**Pay Rate:**

**Location: Albany**

**Supervisor: Kenneth Tremont**

**Unposting Date: 01/30/2024**

**About the Position:**

Under general supervision to perform duties including testing, diagnostics, and providing recommendations regarding repairs for mandated gas corrosion program. Update corrosion records as necessary on Pipeline Compliance System (PCS) database and related documentation. Train lower classification Gas Field testers in all aspects of corrosion.

**Job Qualifications:**

- Must have 2 years satisfactory performance as a Gas Field Tester D and demonstrate proficiency in related work, and thorough knowledge of Company Practices and Standards.
- Must have completed NACE (National Association of Corrosion Engineers) Technician level course.

**Please be advised that due to the nature of this position, incumbents are subject to federal Drug & Alcohol safety regulations governing US Department of Transportation ("DOT") covered positions, including the Federal Motor Carrier Safety Administration (FMCSA) and Pipeline Hazardous Material Safety Administration (PHMSA). As such, the Company's testing programs and policies regarding the use of federally prohibited drugs or alcohol, for recreational or medical purposes, will remain in effect for these safety-sensitive, DOT covered positions.**

**Only bids received on or before the above close date will be given consideration. Email bids to [RecruitingNY@nationalgrid.com](mailto:RecruitingNY@nationalgrid.com) or fax bids to (315)401-7890.**

**Bidders seeking to be considered for posted positions have the responsibility to fully set forth their qualifications on the job vacancy bid form. Candidates will be considered based on their seniority and the information provided on, or attached to, the bid form. Candidates who choose to submit incomplete forms may be deemed unqualified or ineligible for the posted position.**
