

# W-31660R Service Rep Helper

**Description:**

**Pay Group: 10**

**Location: Buffalo**

**Supervisor: Kelly Coakley**

**Unposting Date: 10/04/2022**

**About the position:** Under general supervision to read customers' meters as assigned and record using a variety of media; upload/download meter reading data in Itron; read and reset demand registers; report all inactive meters showing use and obtain name and previous address of user, if possible; report all defective meters and irregular conditions; report all suspected theft and gas leaks upon discovery; list all skipped readings and retrace route to pick up skips.

Specific duties include, but may not be limited to, the following:

- Drive and operate Automated Meter Reading equipment and upload/download data
- Report unusual conditions
- Reset demand meters and install reset seals
- Install temporary meter seals
- Verify meter number and read
- Check multiplier and constant
- "Read meter only" type service orders, i.e. verify meter number, check estimate read
- Assist with gas fitting work
- AMR/ ERT functional check (Read One)
- Guard down wires during storms following initial identification.

May also be utilized as a rider for designated two-person areas; assist with higher level metering services work and deployed for emergency work to stand by down wires.

**Job Qualifications:**

- Must have valid driver's license
- Employees entering CMS from other than P&M (Production & Maintenance) job classifications will be subject to administration of the HR background Checking Guidelines for Drivers
- Must have or obtain a valid USDOT Medical Card (in applicable locations)
- Must pass validated aptitude test
- Should be intelligent, possess the ability to handle customer contacts satisfactorily, and be capable of moderately strenuous work with aptitude for some phase of operational activity.

Note: This is a non-progression job.
