Dear Ibew Local 97,

You've touched someone's life. It's my pleasure to welcome you to the Alzheimer's Association community. Thank you for joining the fight against Alzheimer's disease.

We received your tribute gift of \$100.00 in memory of Jon Michael Lincoln Tribute on 01/21/2021, and we want to let you know how much we appreciate your support.

Tonight, someone in need will call our free 24/7 Helpline (800.272.3900) in need of help, information and resources. Because of kind, compassionate people like you, we'll be there to answer that call.

Later this year, a bright scientist will submit a grant request to fund promising new Alzheimer's research. Generous donors like you are the reason we'll be able to say, "Yes."

Each and every day, your gift will help provide urgently needed care and support to families facing Alzheimer's and advance vital research aimed at finding methods of treatment, prevention and, ultimately, a cure. Your gift has touched many lives, and it will touch many more in the years to come.

Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. You make all of it possible.

Ibew Local 97, thank you for making a difference in the lives of the more than 5 million Americans living with Alzheimer's and their 16 million unpaid caregivers.

Sincerely,

Catherine James
Chief Executive Officer
Central New York Chapter
